Is this a coincidence?

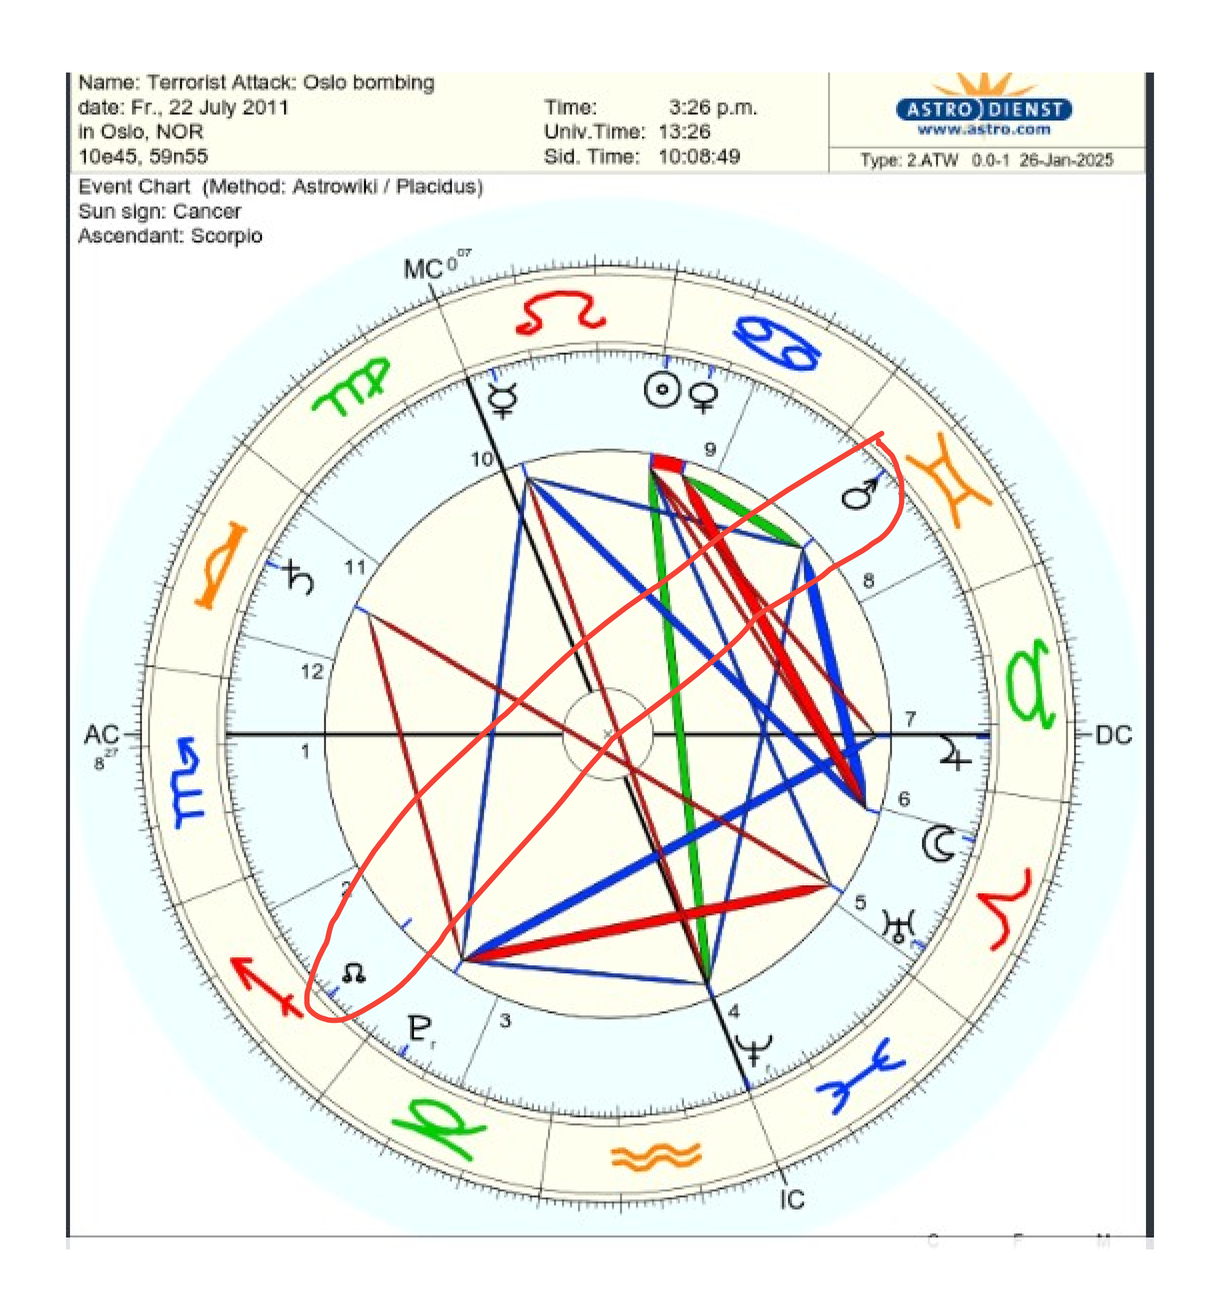

This information lays out the dates and astrology charts of the worst attacks carried in five different countries—The United States, the UK, France, Norway, and Israel. The events that are referenced are the 9/11 terror attacks in September 2001, the London bombings in July of 2005, the Oslo bombings and shootings in July 2011, the Paris terror attacks in November of 2015, and the Hamas attack aganst Israel on October 7, 2023. In every single instance, the planet Mars was within 1 or 2 degrees of the lunar node.

American tragedy, a terrorist attack of unprecedented magnitude in which two aircraft crashed into the World Trade Center in the heart of New York City. The planes, both hijacked craft, struck the upper floors of the two 110-story buildings at 8:46 AM and 9:03 AM. The first of the twin buildings collapsed at 9:59 AM and the second shortly after, at 10:29 AM.

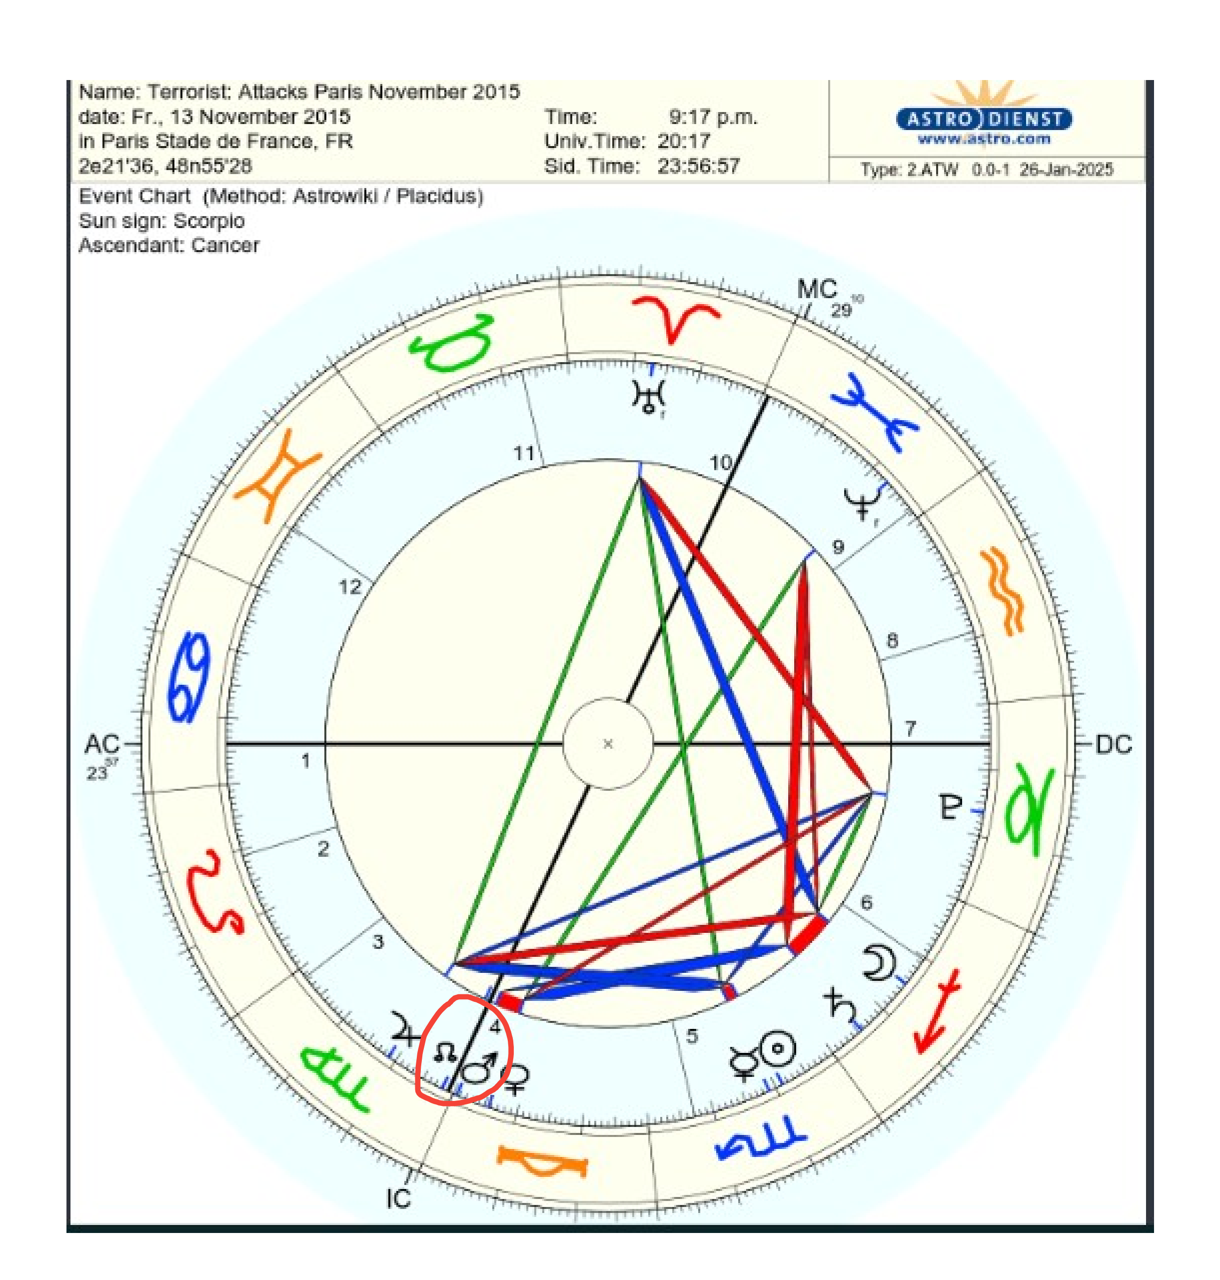

Terrorist attack on London, a series of several bombs detonated during the morning commute in three underground train stations and on a bus. At least 52 people were killed and over 1,000 wounded.

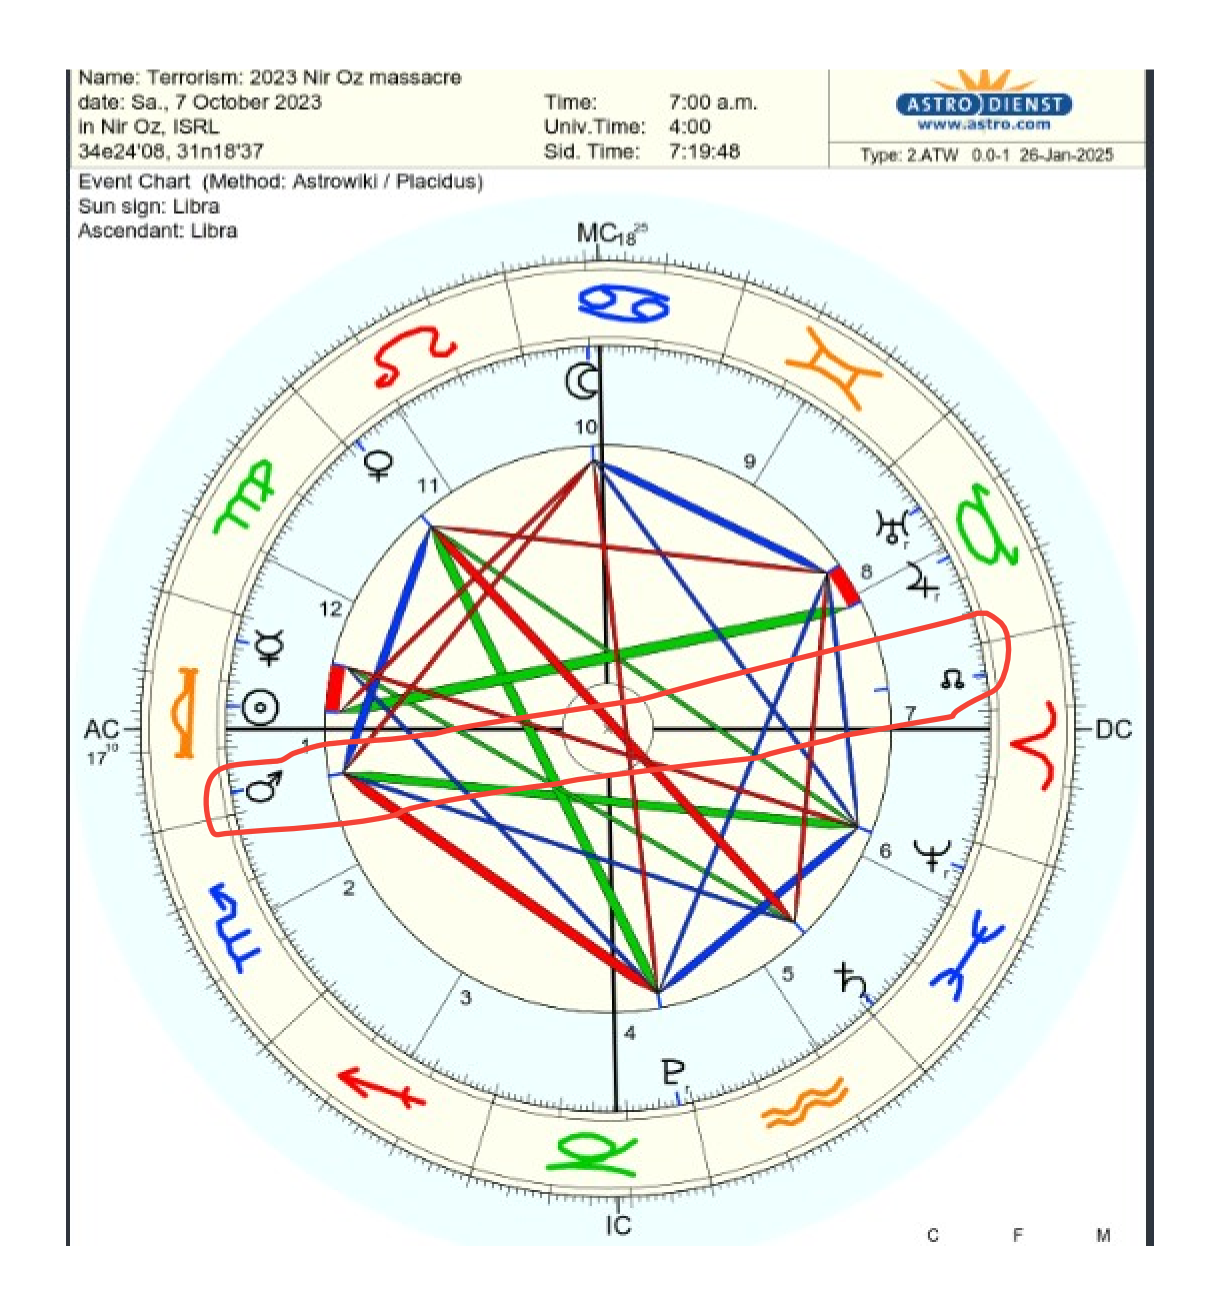

Norwegian massacre and shooting spree. In total, 67 people were killed by gunshots, 1 died falling from a cliff trying to escape, and 1 drowned trying to swim away from the island.

Police arrested an ultra-right-wing 32-year old man, Anders Behring Breivik, who had published a manifesto online citing his hatred for foreign influences in general and for Muslims in particular. He evidently dressed as a police officer and reportedly encouraged many of his alleged victims to come closer so he could "protect" them.

Many of the victims were young people attending a youth camp. Breivik was born on February 13, 1979 in Oslo to Norwegian parents. Two hours earlier than the hour-long shooting spree, a government building in Oslo was bombed, and Breivik confessed to his role in that attack as well.

Series of coordinated terrorist attacks—consisting of mass shootings, suicide bombings, and hostage-taking—occurred in Paris, France, and Saint-Denis, one of its northern suburbs. Beginning at 21:17 CET, six mass shootings in central Paris and three separate suicide bombings near the Stade de France occurred. The deadliest attack was at the Bataclan theatre at 21:49, where three attackers (Omar Mostefai, Samy Amimour: born 15 October 1987, Paris, and Fouad Aggad: born 18 September 1992, 13:10, Wissembourg) took hostages and engaged in a stand-off with police which ended at 00:58 on 14 November. 90 people died at the Bataclan 39 in the restaurants beside (3 other attackers), and 1 near the stadium. The Islamic State of Iraq and Syria (ISIS) claimed responsibility for the attacks.

Palestinian paramilitary surprise attack that occurred when Hamas-led militants from the Gaza Strip invaded the Nir Oz kibbutz in southern Israel. The militants killed scores of kibbutz residents, burned homes, and abducted civilians. According to the Israeli military, up to 150 militants participated in the massacre.
